HAZARD CATEGORIZATION CHANGE REQUEST FOR BUILDINGS 707/707A DCD-034-05

The purpose of this memorandum is to request a downgrade in the Facility Hazard Categorization for the Building 707/707A Facility Complex. Demolition of the Building and slab of 707/707A, as well as all support buildings has been completed. All radioactive materials have either been removed or remediated in accordance with the Building 707/707A Decommissioning Operations Plan. All containers with radioactive material have been removed from the remediation site.

Kaiser-Hill requests that the Department of Energy (DOE) Rocky Flats Project Office (RFPO) downgrade the Hazard Categorization for Buildings 707/707A from Hazard Category 2 to Non-Nuclear in accordance with the provisions of DOE Standard 1027-94. In addition, Kaiser-Hill requests that DOE, RFPO grant permission to cancel the Building 707/707A Facility Complex Decommissioning Basis For Interim Operation and the associated Authorization Agreement.

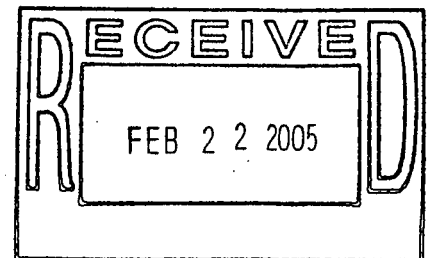

Should you have any questions on this matter, please contact me at 303-435-5765 or Brian Henderson at 303-994-1906.
